

11. Blessing

Find peace, and strength, and find friendship, and find safety and beauty and joy.

Fly away and be free.

Find faith, find hope, find your feet, find your dreams, and find love

Fly away, fly away and be free.

Find grace, find trust, find purpose and healing and truth,

Fly away, fly away, and be free.

Free to laugh, free to cry,

Free to dance, or to grieve, free to fly.

Fly away, fly away and be free.
